A guide to accessing the Latin American Avant-Garde Collection: Visual Guide in ARTstor

Step 1. Open a web browser and navigate to lib.utah.edu

NOTE: If you are off campus you will need to follow the Off Campus Access Procedures before proceeding to access ARTstor.

Step 2. In the search box navigate to the Article Databases tab, select A and scroll down to ARTstor.
Step 3. Click on the **GO** button.

To access this course specific collection you will need to **Log In** or register if you do not have an account. Creating an account is fast and free and does not require e-mail confirmation.
Once you are logged into ARTstor you will have several additional options available to you.

NOTE: For general information on ARTstor you can visit the ARTstor Info Wiki [http://help.artstor.org](http://help.artstor.org) or the ARTstor Instructional YouTube Channel [http://www.youtube.com/user/artstor](http://www.youtube.com/user/artstor)
Step 4. To unlock the course specific collection click on **Find** and you will see a drop down menu, from that drop down menu click on **Unlock password-protected folder**. A prompt will appear asking for your name and the locked collection password. The name you enter will allow the collection administrator to see who is working with the collection; please enter your real name/name by which you appear on the course roll.

**NOTE:** The password for this collection will be provided to you by your instructor and is only valid for this semester of study.
Step 5. Once you have unlocked the collection click on **Organize** and you will see a drop down menu, from that drop down menu click on **Open Image Group**. A window will appear showing you all folders and image groups available to you; click on the folder titled **Latin American Avant-Garde Collection** and you will see an Image Group titled **Visual Guide** containing 119 images. Click on the **Open** button at the bottom of the window or double click on the Image Group title.
Step 6. The Image group will open in the thumbnail view (pictured left) to toggle to other view options you can select from the icons on the navigation bar.

Change view from small thumbnails (default) to large thumbnails.
