

## What We Are Doing

- ◆ Third in the nation for green power purchases among universities
- ◆ Fall semester Farmers Market linking local growers and artisans with the university community
- ◆ Tracking campus emissions every year through a Greenhouse Gas Emissions Inventory

## Sustainable Campus Initiative Fund

The Fund provides money to students, staff and faculty to implement sustainable initiatives that benefit the campus community.

## Who We Are

The Office of Sustainability was created in 2007 to establish the University of Utah as a leader in working toward a more sustainable future for our campus and the broader Utah Community.

## Climate Action Plan

- ◆ University of Utah's commitment to reduce greenhouse gases
- ◆ Goal is to achieve net zero carbon emission for the University by 2050
- ◆ Requires LEED silver or better on all new building projects
- ◆ Free UTA transit passes for students with a valid UCard

## Sustainability Is..

"Meeting the needs of the present without compromising the ability of future generations to meet their own needs."

- *World Commission on Environment*

## What U can do at the

- ◆ Turn off unnecessary lighting in classrooms and bathrooms
- ◆ Choose an alternative means of transport—Bike, Walk, or Ride TRAX/Buses for free with your UCard
- ◆ Eat Locally grown food at Chartwells, or purchase your own at the Farmers Market
- ◆ Use a reusable bag around campus. The bookstore contributes \$0.05 to the Office of Sustainability every time a patron says NO to a plastic bag.

## Take Action

- ◆ Join the Office of Sustainability as a Volunteer or Intern
- ◆ Encourage Recycling at tailgating and football games with Recycle Rice Eccles
- ◆ Help in our two Edible Campus Gardens
- ◆ Check out the Bennion Center for Environmental Programs and Volunteer opportunities
- ◆ Volunteer at the U Bike Collective
- ◆ Take the Pledge to Behave More Sustainably
